Re: Agreement JPA 95-99
Refurbishment of ADOT Signs
Amendment No. 1

Dear Mr. Spearman:

A recent cost analysis conducted by your organization revealed that the cost per square foot to refurbish metal road signs had increased since the referenced JPA was signed. A similar review conducted by ADOT Traffic Operations Services concurred with your findings. To properly incorporate these increased costs, we may use this instrument as amendment number 1.

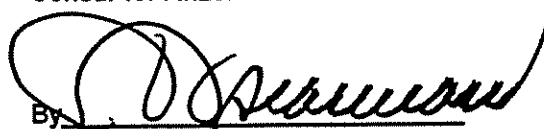

Therefore; references throughout the agreement which read "\$0.25 per square foot are changed to read "\$0.60 per square foot"

To properly memorialize this amendment, and to insure a meeting of the minds, please indicate your concurrence of this amendment in the space provided below and return one original of this instrument to the undersigned at the above address to the attention of Mail Drop 616E. Questions may be directed to the undersigned at (602) 255-7628 or Mr. Olivarez at 255-7751.

Sincerely,

Thomas L. Mennie
Joint Project Coordinator
